THE ALLCRETE ADVANTAGE: WHY BUY YOUR EQUIPMENT FROM ALLCRETE?

- **Largest Range:** Allcrete has had 23 years experience sourcing and supplying specialist equipment for the concrete industry.
- **Our trained sales consultants** know and understand the equipment. This means they can source the correct item for you from a large range, rather than providing you with a product that doesn't suit your needs. This saves you **TIME** and **MONEY**.
- **Service:** Allcrete will deliver the product you need, **When You Need It.** And if you have a problem, you can be sure we'll be there to back you up and minimise downtime.

X-150 Soffcut Saw

Soffcut Advantages are:

- Produces better concrete with reduced shrinkage cracking
- No slurry clean up – no water is used
- Enclosed blade and low noise make cutting safer and more comfortable for operators
- Very early cutting reduces time spent on the job and reliance on cutting contractors

Soffcut X-150

- Reliable 4.5hp Robin motor
- High strength frame and roll cage with built in lifting hook
- Compact folding handle for easy storage and transport
- Light weight & easy to handle

Perfect for small to large slabs, driveways, footpaths & factory floors.
